PETITION UNDER 37 CFR 1.137 (b) FOR REVIVAL OF  
UNINTENTIONALLY ABANDONED APPLICATION

The Commissioner is respectfully petitioned to revive the above-noted application which was abandoned unintentionally by the apparent failure of my correspondence dated September 21, 2003 to reach the necessary personnel within the US Patent Office in a timely fashion.

Generally, the facts resulting in the unintentional abandonment are as follows:

- 1) The present application was filed on January 28, 2002;
- 2) I received a first office action on the merits dated March 21, 2003 from Examiner Badio;
- 3) After careful consideration of this matter, and consultation with the inventors in regards to the art cited, on September 19, 2003, I submitted an office action response in which the one claim rejected by the examiner was deleted and the Abstract amended in conformity with the examiner's comments;
- 4) This response was submitted to US Post Office by mail slot deposit in Point Roberts Washington USA, as permitted under the US Patent Rules, along with a Certificate of Mailing;
- 5) My office assistant at the time was advised by me to diarize the file and bring it forward in six months if we had not received further correspondence from the US Patent Office.
- 6) Although my assistant indicated to me that she had taken this step, it appears that, in error, no entry was made to bring this case forward in March 2004.
- 7) In July and August 2004, as I was working on the PCT National phase entry of the corresponding PCT application, I became aware that no follow up document has been received for the present US application.
- 8) I was informed after phoning the US Patent Office on September 8, 2004 that the present application had become abandoned. This abandonment was clearly unintentional.
- 9) I immediately began to review file material and instructed my office assistant to work with me in preparing revival documents;
- 10) I am filing herewith this Petition for Reinstatement of 10//060,022 as the apparent abandonment was clearly unintentional.

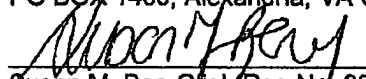

In support of this petition, the Applicant encloses herewith is a money order in the amount of \$685 (US) for the petition to revive an unintentionally abandoned application. Also enclosed is the response to the outstanding office action and copies of all supporting documents.

Respectfully submitted,

  
Susan Ben-Oliel  
Patent Agent  
Reg No 33,641
